Mr. -

Attached is the June 64 Security Violations Report for offices of DD/P. Also attached is the previous six-month report.

The 28 violations compare favorably with the previous six-month average of 33.3.

It is interesting to note that we have not been able to drop below a violation level of 28 since the move to Headquarters, Langley.

As stated above.

*also note a considerable
drop for the Divisions which
had high totals last report.*
